# DISTRICT NEWS

Sacramento County is now at a high level of COVID cases. This means that as of December 26, 2022, **indoor masking is required in Sac City. USD.** Because we will be on break, please check your emails for more updates on if we will have to wear masks when we return. **We will send out a text** to let you know if masks will be required when we return on January 9, 2023.

## JSK8 NEWS

**Consci8us**, a community-based rapper and speaker, **provided an anti-bullying assembly** for our 5th-8th graders on December 16th. He used **motivational music** he has written to relay positive messages to our students. We are hoping to bring him back out in the spring for our K-4th-grade students.

In collaboration with **Center for Oral Health**, we hosted a free dental event on December 22nd. 154 students received an oral exam and free dental products. For any students who were absent or didn't turn in their permission slips, we will host another **dental screening event on April 19, 2023.**
